The souls in Purgatory

St. John Vianney, the Cure or Ars, said "If we only knew what power these souls have over the heart of God and what graces we can receive through their intercession, they would not be so abandoned by us. The prayer for their relief from purgatory is, after the prayer for the conversion of sinners, the most pleasing prayer to God."

True Riches

Today, let's ask ourselves: What treasures are we storing up? Are our barns filled only with earthly possessions or with acts of kindness, love, and faithfulness? Are we living for today without a thought of eternity? Are we rich in material wealth but bankrupt in our relationship with God?

Conclusion: Beloved, let us remember that life is short and unpredictable. Our true value isn't determined by the amount in our bank accounts or the size of our barns, but by the riches of our souls and our relationship with God.
