The Irish Catholic Bishops have issued a Pastoral Letter on the Sunday Mass. For the coming weeks we will publish a section in the Newsletter.

Why Sunday Matters: Sunday Mass creates and celebrates Communion

Sunday Mass is a vital encounter with the risen Lord, the One who gives our lives ultimate meaning and purpose. Through our Baptism we bear the name 'Christian'. This identity shapes who we are and calls us to follow Jesus, who is, 'the way, the truth, and the life' (John 14:6). Through the celebration of Sunday Mass, we experience a life giving encounter and **communion** with Christ. Just as the two disciples encountered Jesus on the road to Emmaus and recognised Him in the breaking of the bread (Luke 24:35), so too we meet Him in the Eucharist.

Our identity as Christians is not solitary but shared. On Sundays, we gather not only as individuals but as the Church; the Body of Christ. In the celebration of the Eucharist, we affirm our communion with one another and with Christ. Pope Saint John Paul II emphasised that 'none is as vital or as community-forming as the Sunday celebration of the Lord's day and His Eucharist.' This gathering creates a bond of unity, solidarity, and love, as we come together to worship as one body, with one voice, in praise of God.
