St Teresa of Avila- Feast 15 October

Christ has no body now on earth but yours, no hands but yours, no feet but yours, Yours are the eyes to which to look out with Christ's compassion to the world, Yours are the feet with which he is to go about doing good; Yours are the hands with which he is to bless people now.

Why Sunday Matters:

Sunday Mass makes us Missionaries

The Sunday Mass is not only a time for worship but also for mission. Having listened to God's word and received the gift of Christ's Body and Blood, we are sent to live out our faith in the world as **missionaries**; sent to share the love of Christ with others. As we participate in the Sunday Mass, we receive not only spiritual nourishment but also the strength to live out our Christian mission in daily life.

As the late Pope Francis reminded us, 'We do not go to Mass in order to give something to God, but to receive what we truly need from him. In this spirit, we are called to approach the Eucharist not out of obligation, but with a deep desire for spiritual transformation.' This is why attending Mass on Sundays is so vital- it nurtures and nourishes our faith and prepares us for the mission to which we are called. We invite you to reflect on how your participation in Sunday Mass helps you to live as a missionary disciple, bringing the hope and joy of the Gospel to those around you, and to the world at large.

Since the COVID-19 pandemic, many Catholics have faced challenges attending Mass due to health concerns. For those still unable to attend, the Church offers Communion to the sick and housebound. For those who can, its time to return and celebrate the Eucharist together. While virtual options have helped, they can't replace the in-person experience of communal worship. Returning to Mass strengthens us as the Body of Christ, sharing in the sacred celebration.

What is the World Mission Sunday?

World Mission Sunday is the Holy Father's annual appeal in support of overseas mission. It takes place in every single parish where the Church is present.

When is World Mission Sunday?

World Mission Sunday always falls on the second last Sunday in October, meaning this year it will be celebrated over the weekend of Sunday, 19 October.

Why is World Mission Sunday Important?

All offerings made on behalf of World Mission Sunday become part of the Holy Father's Universal Solidarity Fund. This fund is essential not only for missionaries, but for the future of the Church. It supports missionary activities in over 1,100 mission dioceses, which are mostly found in Africa, Asia, and Latin America.
