**World Meeting of Families:** Pope Francis personally chose Dublin, to be the host diocese for the World Meeting of Families from 22—26th August 2018. Planning for this great national and international celebration of faith is well underway. A dedicated office and support team has been established and later this year a nationwide programme of talking about the family will begin with an emphasis on Pope Francis' teaching and reflections. The World Meeting of Families promises to be an occasion that will reflect on the faith experience of families from many parts of the world as well as on the challenges and celebrations which characterise the ups and downs of day-to-day family life.

As you know hosting this national and international event requires an enormous amount of planning and funding. In this regard the second national collection will be held on the week-end of 1st and 2nd April 2017. Please bring your contribution in an envelope next week-end and put in the basket along with the offertory collection.
