Trócaire: This year, a little girl Kumba Koroma is featured on our Trócaire Box. In August last year, a devastating landslide struck her village, Matome. Only one in five of those in the path of the landslide survived. Sierra Leone has in recent years been brought to its knees three times. They have lived through civil war, a deadly outbreak of Ebola and a series of landslides, that killed more than a thousand people. Trócaire is working with these people trying to rebuild their lives. Trócaire boxes are in the porches. The contributions will be taken up on Palm Sunday.

"Love...It always protects, always trusts, always hopes, always perseveres. Love never fails." 1 Corinthians 13, 4-7. Trócaire has launched its Lenten campaign 'Until Love Con-

quers Fear'. Fear is felt by millions of people around the world who can't feed their families, are forced to flee their homes because of conflict or are imprisoned for standing up for their rights. Love is the support shown to them by people here at home through the Lenten campaign. To find out more visit www.trocaire.org.
