The Eucharist:

The bread and wine of the Eucharist before the invocation of the Holy and adorable Trinity were simply bread and wine. But after the invocation the bread becomes the Body of Christ and the wine becomes the Blood of Christ.

St. Cyril of Jerusalem.

There is nothing so great as the Eucharist. If God had something more precious, He would have given it to us.

St. John Vianney.

The Eucharist is nothing less than Jesus Christ. It is not only that God became man to redeem the world by His death on Calvary. God is constantly redeeming the World by communicating through the humanity of Jesus the graces that He won for us on Good Friday.

Offertory Collection: Aughavas € 720.00;

Cloone € 710.00.
