THE SEASON OF CREATION, 1st September-4th October 2021: 2021 marks the 6th anniversary of Pope Francis' encyclical on the environment entitled *Laudato Si': On care for our Common Home*. This anniversary was celebrated throughout the world and in Rome in May 2021. This year, as in previous years, the Season of Creation will be celebrated from 1st September - 4th October. It is an opportunity to give thanks to God for the gift of creation, to explore with parishioners the rich content of *Laudato Si'* and decide on what actions could be taken locally to care for our common home. The theme for the Season of Creation this year is "Restoring Our Common Home". After the Season of Creation there will be a meeting in October of world leaders in China for a UN Biodiversity Conference (known as COP 15) and another UN meeting on Climate Change in November of world leaders in Scotland on (known as COP 26).

In preparation for these UN meetings there will be a petition known as **the Healthy Planet, Healthy People Petition** available at <http://healthyplanetandpeople.org/> for people to consider signing. It is envisaged that this petition with signatures will be presented by Pope Francis to the Presidents of these upcoming UN conferences.

A PRAYER FOR EVERYDAY

Every day I need you Lord,
But this day especially,
I need some extra strength,
To face whatever is to be.

This day more than any day,
I need to feel you near,
To fortify my courage,
And to overcome my fear.

By myself, I cannot meet,
The challenge of the hour,
There are times when humans help,
But we need a higher power.

To assist us bear
what must be borne,
And so dear Lord, I pray,
Hold on to my trembling hand,
And be near me today.
Amen.
