Ways to Support the Contemplative Movement in My Own Life

1. Be aware of your pace as you move through the day. What would your "inner speedometer" indicate at any given time? Slow down!
2. Do one thing at a time and attempt to give it your full attention.
3. Pause now and then throughout the day and take a few moments of silence. Ask yourself, "what is happening within me at this moment?" What am I observing in myself? In those around me?
4. How am I experiencing the movement of God's spirit at this time?
5. Is there anything I'm struggling to let go of?
6. What "heartbreak" of the world do I wish to call to mind?
7. Is anything being asked of me at this moment?

Prayer to St. Monica, Patroness of Mothers (Feast day 27th August).

Blessed Monica, mother of St. Augustine,
we give thanks to our Father in Heaven
Who looked with mercy upon your tears
over your wayward son.
His conversion and heroic sanctification
were the fruit of your prayers.
Dear St. Monica
we now ask you to pray with us
for all those sons and daughters that have
wandered away from God,
and to add your prayers to those of all mothers
who are worried over their children.
Pray also for us that, following your example, we may,
in the company of our children,
one day enjoy the eternal vision of our Father in Heaven.
AMEN.
