Thank you for supporting in whatever way you can, and please remember it is more than an appeal for financial help. Missionaries also need spiritual support. On World Mission Sunday missionaries take great strength in knowing that the faithful of the world are keeping them in their thoughts and prayers. Help right now. Donate €4.00 by texting the word 'Mission' to 50300. Alternatively donate at [www.missio.ie](http://www.missio.ie) or call Missio Ireland on 01 4972035. ## WALK DON'T RUN By Rob Bell

Walk, don't run. That's it.  
Walk, don't run.  
Slow down, breathe deeply,  
and open your eyes because there's a whole world right here within this one.  
The bush doesn't suddenly catch on fire,  
it's been burning the whole time.  
Moses is simply moving slowly enough to see it.  
And when he does, he takes off his sandals.  
Not because the ground has suddenly become holy,  
but because he's just now becoming aware that the ground has been holy the whole time.  
Efficiency is not God's highest goal for your life,  
neither is busyness,  
or how many things you can get done in one day,  
or speed, or even success.  
But walking, which leads to seeing,  
now that's something.  
That's the invitation for every one of us today,  
and every day, in every conversation, interaction, event,  
and moment: to walk, not run.  
And in doing so,  
to see a whole world right here within this one.
