TIPS FOR LIVING

Life isn't fair, but it's still good.

When in doubt, take the next small step.

Don't compare your life to others. You have no idea what their journey is all about.

When all is said and done there is more said than done.

Don't take yourself so seriously. No one else does..

Believe in miracles.

If we all threw our problems in a pile and saw everyone else's, we'd grab ours back.

Envy is a waste of time. Accept what you have, not what you need.

Make peace with your past so it won't screw up the present.

Your job won't take care of you when you are sick. Your friends and family will.

You don't have to win every argument.

Offertory Collection: Aughavas € 450.00; Cloone € 1,290.00.
