3rd Sunday of Easter

50th International Eucharistic Congress Communion with Christ and with one another: All large celebrations require a great deal of materials and preparation. The 50th International Eucharistic Congress is no exception. There are many challenges involved and we want to ensure that the whole church, both here in Ireland and further afield, will see the pastoral journey and the Congress, as opportunities to deepen our faith in the Eucharist. The Fourth National collection for the Congress will take place on the weekend of Saturday & Sunday, 5th & 6th May 2012. Your support, especially in these difficult economic circumstances is very much appreciated and we thank you for your support to date.
