Reflection: Heavenly Glory:

While out for an evening walk I emerged from an area

Where the streets were lit by bright lamps,

And came into an open, dark area.

It was only then I discovered that the sky was full of stars.

And I thought to myself:

How easily and how effectively the earthly lights

Extinguish the heavenly ones.

Lord, help us to seek the things that make us rich in your sight,

And grant that the glitter of this world

May not dim our hopes of heavenly glory.
